Autumn Brown- Each tile of the Autumn Brown is an amazing 20" x 36", almost five square feet each. Autumn Brown varies in color from cool sable to soft dove gray. This stone is composed primarily of mineral quartz and sandstone. A wonderful rough surface due to the method of splitting the stone along its natural plane; this finish is referred to as a cleft finish or surface which adds great texture and depth. These large flagstones are suitable for interior and great for exterior use in most areas.

Autumn Brown is available in approximate sizes:

20" x 36" x 1" nominal

Custom sizing, cutting and a honed finish are also available.
