Antique Blanc Rose Terracotta- Antique Blanc Rose tile, the most rare of terracotta, is found only in a very restricted area of France. Hand molded square tiles in delicate tones of cream, pinks and soft reds make this a highly individual and unusual floor. The tiles were not made after the 19th century, and most of the floors sourced dated as far back at the 17th century. Many individual tiles are stamped with the maker's original monogram.

Antique Blanc Rose is available in approximate sizes of:

6" x 6"

8" x 8" and hexagons.

Antique terracotta ranges in thickness from 1" to 1¼". Larger sizes are sometime available but remember these are very rare.
