Antique Yellow (Jaune) Terracotta- Actual reclaimed antique hand-made tile from Central and Southern France, these terracotta tiles were molded by hand and fired in wood burning ovens. Up to three hundred years in age, the tile sizes are commonly 6" and 8" with thickness varying around 1¼".

The Antique Yellow Terracotta in this picture has all of the corners clipped and a salmon colored cabochon is used for a pleasing contrast. Antique Yellow Terracotta is used primarily indoors; it can be used outside only in non-freeze areas.
